```
on init

    declare $myVariable

end on

on note

    $myVariable := $PLAYED_VOICES_INST + 1
    message("You are playing " & $myVariable & " notes!")

end on
```

Example 4

on init

```
declare $myVariable  
$myVariable := $PLAYED_VOICES_INST + 1
```

end on

on note

```
if($myVariable > 1)
```

```
    message("You are playing " & $myVariable & " notes!")
```

```
else
```

```
    message("You are playing " & $myVariable & " note!")
```

```
end if
```

end on
